Thank You

Dear Swift Creek Family,

I do not know where to begin thanking you for the cards, phone calls, food, visits and hugs we have received since our world was turned upside down on Christmas Eve. I knew that all I had to do was make one phone call and the prayers and outpouring of love would begin. A special thank you to the Hospitality Committee for taking their afternoon and half of their evening to provide a meal that gave my family emotional support and comfort and the opportunity to fellowship together. For a few of us, knowing the love that went into preparing all of the dishes encouraged us to actually eat for the first time in days. Although the past weeks have been difficult beyond compare, I know that my journey is far from over, but I also know that your prayers will continue as will your love, support and hugs! Thank you for letting me be a part of this beautiful family of God and thank you again for every kindness! I will never forget and hope I can live up to the example of Christ's love that has been shown to me.

Love,
Dianne Davis and Family
